awarded the Blue Angel.

## Informing

**Kreativ Kultur Berlin** is the first point of contact for cultural and creative professionals in Berlin who have questions about project financing, cultural funding, professionalization and self-employment, or who are planning a start-up project. Our experienced consultants provide information, advice and networking opportunities across all sectors and creative industries – supporting everyone from artists to start-ups.

## Consulting

- Individual and group consultations
- Expert consultations
- Proposal checks
- Crowdfunding consultation
- Info sessions
- Workshops

## Connecting

- Competent, unbureaucratic and free of charge
- Across all sectors and creative industries
- Multilingual, in-person and digital

Two specialized teams offer individually tailored answers to your questions – free of charge:

### Cultural Funding

#### Consultation

##### For whom?

Artists and cultural professionals of all disciplines, project initiators, associations and practitioners from Berlin's independent culture scene.

##### What?

Advice on how to secure funding for cultural projects, search for grants and residency programs and tips on how to apply.

### Creative Industries

#### Consultation

##### For whom?

Berlin-based freelancers and entrepreneurs from all areas of the arts, culture and creative industries.

##### What?

Advice and information on all aspects of self-employment, entrepreneurship and financing, from start-up projects to existing creative businesses.
